BOOK SYNOPSIS

The traditional Accounting Practice model is outdated. Your clients do not want an accountant who is just an order taker. What they do want is an accounting firm that looks to the future and provides them with timely advice on what they should be doing now to improve their businesses and ultimately to help them achieve their financial and lifestyle goals. If you want to be that firm, you need to read Accounting Practices Dont Add Up to learn how. In this book, Rob Nixon reveals how he helps accounting firms succeed.
