BOOK SYNOPSIS

Presenting current research in an innovative format, Harry Moody and Jennifer Sasser's *Aging: Concepts and Controversies* encourages students to become involved and take an informed stand on the major aging issues that we face as a society. Using their extensive expertise, the authors provide a thorough explanation of the issues in the Concepts sections and current research in the Controversy sections, demonstrating the close links between concepts and controversies in these broad areas of aging: health care, socioeconomic trends, and the life course.
