## **BOOK SYNOPSIS**

This is a comprehensive pain board review book designed to contain the essential information needed to pass the pain board certification exam as administered by the American Board of Anesthesia. This text omits all the extra verbiage seen in typical text books and condenses difficult and challenging subjects into easy to understand topics. It is designed to cover all the major topics tested by the ABA and will serve as a useful reference tool for the active pain practitioner. This volume contains the most up to date information available and will be continuously updated in future volumes as needed. All individuals who purchase this volume will automatically receive updated information as it becomes available.
