Cassidy—Luke Brodie had heard the name before, some novice bounty hunter working Seattle, catching tricky skips with more success than a newcomer should expect. But the dark curls, sparkly top, and impressive cleavage were not what Brodie had pictured. Emma Cassidy is tough and smart and sexy as hell. She's also popping up a step ahead of him every time he's close to the capture he wants most . . . and there's no room for learning on the trail of this monster. Emma has idolized Luke Brodie, the bounty hunter who can bring anyone in. The big man in the soft shoes, with a face like a fallen angel and a reputation for breaking hearts.
