BOOK SYNOPSIS

In *Kaddish for Kovno* (the Kaddish is a prayer for the dead) William W Mishell documents in passionate detail the creation and then the obliteration of ghetto Kovno in Lithuania during the Nazi occupation of World War II. It is a story of ingenuity and heroism as well as of horror and destruction. It illuminates the indomitable human spirit as the Jews of Kovno secured food, smuggled children to safety, set up hospitals, and even organised a ghetto orchestra in the face of numbing deprivations and brutality. A gripping account of four years no human could forget.
