BOOK SYNOPSIS

2013 EDITION : has several new laws you may not be familiar with. With a quick read of DMVs California Driver Handbook it will be current for several years. It has helped thousands make 100% on their California Class C, Original and Renewal license, and on their Minors Permit test. Drivers applying for any type California driver license will find it helpful. Many called in by DMVs Safety Unit for reexamination have retained their license, or had it returned to them, after a careful study of this book. It will fully prepare you for Test Day at DMV: tell you what to bring, what to do and what NOT to do: what to say, and what Not to say in order to get along with the examiner. Its seven practice tests will help you learn the answers to any of DMVs several different tests. Its driving tips will help you drive like a pro on your behind-the-wheel test. Youll learn how to safely make right and left turns, back up straight, parallel park, do a 3-point turn, park on hills and make safe, legal stops. It will teach you everything you need to know to pass your test with a high score, and with a minimum of discomfort. Its all here for you. The secrets to staying in the drivers seat for many years are shared with you by a former driver examiner, professional driving instructor and National Safety Council Defensive Driving Course Instructor. --Amazon.com.
