## **BOOK SYNOPSIS**

King Severn Argentines fearsome reputation precedes him: usurper of the throne, killer of rightful heirs, ruthless punisher of traitors. Attempting to depose him, the Duke of Kiskaddon gambles...and loses. Now the duke must atone by handing over his young son, Owen, as the kings hostage. And should his loyalty falter again, the boy will pay with his life. Seeking allies and eluding Severns spies, Owen learns to survive in the court of Kingfountain. But when new evidence of his fathers betrayal threatens to seal his fate, Owen must win the vengeful kings favor by proving his worth--through extraordinary means. And only one person can aid his desperate cause: a mysterious woman, dwelling in secrecy, who truly wields power over life, death, and destiny.
