BOOK SYNOPSIS

The Teachers' Lounge (Uncensored) gives you a peek inside that classroom. Kelly Flynn takes readers by the hand and says, "Come inside my school, walk a mile in my halls, and then we'll talk about education reform." With breathtaking clarity and a healthy dose of humor Kelly Flynn shares with readers what all teachers know; that when you teach in a public school there are days that you laugh, days that you cry, and days that you laugh until you cry. Each student is surprisingly, delightfully, wildly different, which is precisely why one-size-fits-all education does not work.
